It's not just cricket!

THE official launch of the new Bellerive Oval was held last month and was attended by over 100 invited guests. The interactive event highlighted that Bellerive Oval is not just about cricket and is open for all types of business.

Guests were wined and dined and taken on a guided tour of the oval's facilities and dining areas which are available for conferences, functions, weddings and special events.

The tour started at the Indoor Centre before guests were greeted by PKF Tigers players in the nets and were provided with some background on Bellerive Oval.

The dedicated guides then gave the groups a glimpse inside the Players' Changerooms and the chance to touch the Baggy Green Cap before heading out on to the Bellerive Oval red carpet and into a media scrum. Each of the four groups then viewed themselves on the scoreboard, another exciting element available to hire for functions or events at Bellerive Oval!

The Century Room was also in full swing hosting a 'pretend' wedding, acoustic tunes and dance floor, a lectern poised for a conference and three-course dinner to give guests the full interactive experience.

The last stop of the evening was the prestigious Chairman's Room and Boardroom boasting one of the best views Bellerive Oval has to offer.

UP IN LIGHTS: Guests brave the rain to walk the red carpet out into the middle of the iconic Bellerive Oval.

Tie in a visit to the CT Museum with your next event!

Why not treat your guests to pre-drinks and canapés at the CT Museum?

The CT Museum may be the point of difference you are after for your special event or conference!

Tasmania's rich cricket heritage dating back to the very early years of settlement is illustrated through displays and video.

The most recent addition to the Museum is the Ricky Ponting Corner that was unveiled by Ricky himself prior to the first

Twenty20 International match under lights at Bellerive Oval on February 21 2010.

HISTORY: Give your guests a taste of cricket history prior to your event.

Weddings—Hit your guests for six!

Bellerive Oval is gearing up for a mammoth summer and cricket is not the only offering in the pipeline.

With an increasingly busy event calendar which maximises Bellerive Oval's state-of-the-art conference and multi-media facilities, the team are now strengthening their efforts in the weddings arena.

Weddings are a huge form of revenue for any hospitality business, and the uniqueness of the location and the product Bellerive Oval can deliver will ensure your wedding is

a memorable experience!

BRIDAL TABLE: The Century Room is the perfect space for your special day.
